GRAMMAR**

AGSV/APS SPORT UNIFORM

YEARS
7-12

Sport is an integral part of the education program at Mentone Grammar and our focus on developing 'Happy, Healthy, & High Achieving' students. This includes the compulsory AGSV (boys & girls) and APS (girls) inter-school sports program for all students in Years 7-12. Students have the option to choose one winter and one summer sport each year.

The uniform will vary depending on the sport and all students are required to have the correct uniform and additional requirements for each sport.

In addition to the sports listed below, opportunities exist in **Aerobics, Snow Sports and Surfing**. We have a range of teams of various age groups representing the School in different external competitions, which may also require additional uniform items to be purchased. Please contact the Sports Department for more information.

UPDATE & TRANSITION

In 2025 we completed a review of our compulsory AGSV/APS sport uniform to streamline items and ensure consistency across all teams.

This was not a major redesign – all key design elements of the existing non-FIRSTS sport uniform remain unchanged. Some items have been updated in terms of fabric and fit, and some tops are now reversible, providing a clash/away option where required. Some items have not changed.

Updated non-FIRSTS uniform will be introduced to the Uniform Shop as existing supplies run out and new stocks are required. Some items will be discontinued once they are sold out but can be worn until the end of the transition period (see below).

We ask families to be patient as we deplete current stocks and await the arrival of new stocks.

TWO YEAR TRANSITION

The existing AGSV/APS sports uniform can still be worn for the next **two years**, in combination with any updated uniform items that are introduced as uniform stocks are replenished. Any required items can be purchased as normal from the Uniform Shop.

All students will be required to wear the updated uniform for the start of the 2027 winter season commencing in Term 2, 2027.

FIRSTS UNIFORM

Following community feedback around the need for a dedicated FIRSTS uniform, we were also thrilled to introduce a new suite of FIRSTS tops in 2025, developed in consultation with 2024 team captains. This kit has been designed to ensure equity and a cohesive look for our FIRSTS teams, who represent the pinnacle of Mentone Grammar sport.

A standout feature is the implementation of reversible tops for relevant sports, incorporating our unique Indigenous design on the reverse side. This will serve as our clash/away top as required. We know how much our students value wearing the Indigenous top, and this change allows them to wear it beyond the single Indigenous Round.

FIRSTS UNIFORM PURCHASE

- FIRSTS uniform items will only be available for purchase from the Noone store on campus.
- Students who are selected to play for FIRSTS teams will be required to purchase the correct FIRSTS top as required (students can continue to wear existing shorts relevant for each sport throughout the transition period).

FIRSTS TRAINING T-SHIRTS – OUR GIFT

We recognise the passion, discipline, and pride of our FIRSTS athletes. To celebrate their achievement, each student who makes a FIRSTS squad will be presented with a FIRSTS training top as a gift from the School.

THANK YOU

Students must be in the correctly branded Mentone Grammar uniform for all Saturday sports.

We appreciate your ongoing support in ensuring our students represent Mentone Grammar with pride and unity. These updates reflect our commitment to excellence in sport while honouring our traditions. Thank you for supporting your child and our sporting program as we continue to evolve. We look forward to seeing our students in action, wearing their uniforms with passion and pride.
